The ISDLAF+ Multi-Class Series is a managed portfolio whose holdings are subject to change. You should consider the fund's investment objectives, risks, charges and expenses before you invest. For more complete information about these subjects and more, please carefully read the ISDLAF+ Information Statement before investing with the Fund, which is provided on the ISDLAF+ website or can be obtained by calling the numbers provided. The Multi-Class Series consists of two classes of shares: the Liquid Class and the MAX Class. The Liquid Class offers check-writing privileges, while the MAX Class does not. Because the Liquid Class offers this privilege, its expenses are higher than those of the MAX Class. This means that the MAX Class is expected to have a higher net yield than the Liquid Class. Expenses are detailed in the Information Statement under "How the Fund is Managed." The Multi-Class Series is neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency.
